

FEATURE SPONSOR

Surrey United Soccer Club

GO NORTH SURREY GM (GO AUTO)

Surrey United Soccer Club is pleased to announce and thank our sponsor for all SUSC spring season jerseys and our Mini Program corporate sponsor and community partner, **Go North Surrey GM (Go Auto)**.

Founded in 1996, **Go Auto** grew into one of Canada's largest and thriving automotive networks with 60+ dealerships, multiple repair and service centers, several reconditioning facilities, in-house finance and insurance departments, a loyalty and rewards program, and more.

Go Auto is extremely active in giving back to the communities they are a part of, through humanitarian efforts and responsible business practices. With more than 7,000 employees in the fold, they are committed to doing their parts as corporate citizens.

Go North Surrey GM is Go Auto's second Surrey dealership and its third in the Lower Mainland, with Go Dodge Surrey and Columbia Chrysler being the others. In 2021/22, Go Auto acquired the Cowell Automotive Group, welcoming four more luxury dealerships to the Go Auto family: Cowell Volkswagen, Audi, Jaguar and Land Rover of Richmond. Additionally, Go Auto launched the new Go Auto App, and the new GoAuto.ca website providing a better vehicle servicing and online buying experience.

In January 2023, **Go Auto** expanded into the USA and acquired Mercedes Benz and Toyota of Bellingham. Business expansion in Canada continued at a rapid pace, adding a new Stellantis store, Go Richmond Chrysler and Go RV Winnipeg.

Surrey United Soccer Club wants to thank and acknowledge their generous contributions in helping build and expand our growing community and for being a community partner of the Club.

For more information about **Go North Surrey GM (Go Auto)** please visit their websites www.gonorthsurreygm.ca (www.goauto.ca) or visit them in-store for a wide selection of new and used vehicles for sale. They are located under the monumental Surrey Canada Flag and their address is 15250-104 Avenue, Surrey, BC. Phone (604) 332-6533.
