PHYSIOSTATION SPORTS & INJURY CLINIC

Surrey United Soccer Club is pleased to announce and thank our BC Soccer Premier League sponsor and community partner, **PhysioStation Sports & Injury Clinic**.

PhysioStation has a unique connection to Surrey United SC through their co-owner Mylee Ross, who has been a part of the club since 1999. During her time with the club, she played for the Adult Premier Women's team as a key member of their unprecedented eleven-year consecutive Provincial Cup champion. Mylee's dedication continues through coaching her children's teams and her partnership with the club through sponsorship.

PhysioStation's bright and modern clinic opened in April 2014. Owners Mylee Ross and Julie Sopko worked together for eight years at a sports injury clinic in Langley, BC, prior to opening PhysioStation. **PhysioStation Sports & Injury Clinic** is a private outpatient rehabilitation practice dedicated to helping individuals of all ages achieve their maximum physical potential. At PhysioStation, they are dedicated to providing a high standard of patient care by utilizing advanced manual therapy techniques, motor control, and biomechanical analysis.

As part of the Surrey United Sports Medicine team, we hope that if you or your child have any ailments that require expert attention and care, you will reach out to the PhysioStation team.
